Profile

Creative strategist and full-funnel marketer with 6+ years building content systems, performance campaigns, and brand experiences across healthtech, fintech, and AI startups. I combine storytelling with product thinking to generate measurable business results. Equally at home directing a shoot, building a Shopify store from the ground up, writing copy, or architecting a CRM lifecycle journey. I am a maker, a strategist, and a storyteller.

Current Role: Assistant Manager - Brand, Creative, and Communications | TatvaCare (Zydus Wellness) | Bengaluru | Feb'24 to Present

1. Brand, Campaigns & Creative Direction

- Conceptualised and directed photoshoots, product launch films, and social campaigns for GoodFlip, a Zydus Wellness health brand, building the brand visual language from the first brief to final deliverable.
- Produced 60+ long-form health content articles that boosted organic traffic by 25%; wrote with a tone that was clinically credible and genuinely human.
- Wrote UX copy for in-app flows, onboarding, and push notifications, lifting in-app engagement by 18% by making the product feel warmer and more intuitive.
- Led branding and packaging design briefs for GoodFlip product lines, maintaining brand coherence from digital ads to physical shelf presence.

2. E-Commerce Build & Storytelling (GoodFlip Shopify Store)

- Built the entire GoodFlip Shopify store from scratch: store architecture, theme customisation, visual hierarchy, product storytelling, and checkout experience design.
- Wrote and designed 10+ product detail pages where copy and visuals were built together to guide the customer journey, contributing to a 28% increase in organic page traffic within 3 months.
- Created dedicated campaign landing pages that matched the tone and intent of paid ads, reducing CPA by approximately 18%.
- Designed Amazon A+ content and brand store pages that extended GoodFlip's narrative identity onto a second platform.

3. Performance & Lifecycle Marketing

- Ran 4+ monthly ad campaigns generating 1,200+ qualified leads with a 4.2% average CTR (above the 4% benchmark), balancing creative quality with conversion outcomes.
 - Architected 8+ CRM lifecycle journeys covering acquisition through re-engagement, improving conversion rate from 1.5% to 1.8%.
 - Launched a webinar/masterclass series that grew attendance by 30%, creating a content channel that educated, converted, and retained users simultaneously.
 - Produced 100+ sales collaterals (decks, clinic kits, event materials) that contributed to a 20% lift in clinic-channel lead generation.
-

Past Roles

Content Strategist | Streak AI Technologies | Bengaluru | May'21 to Mar'23

- Wrote all in-product UX copy for a fintech trading platform used by lakhs of retail traders, turning jargon into clear, confident language.
- Built a Help Centre with 100+ articles and instructional videos from nothing, improving user conversion by 37% and significantly reducing support load.
- Conducted 150+ user interviews and synthesised 1,000+ responses to shape the content strategy, user journey, and product direction.
- Led growth partnerships that brought in 5,000+ new users monthly through co-marketing and B2B integrations.

Growth Hacker & Digital Marketing Executive | Quicko | Bengaluru | Jan'20 to May'21

- Rebuilt the 'Bytes' newsletter from near-zero to 5,000 loyal readers through editorial vision, strong subject lines, and persona-led content planning.
- Launched the Quicko Blog with 60+ articles; created illustrations, motion graphics, and explainer videos as part of a broader brand storytelling strategy.

Transaction Risk Investigator | Amazon | Bengaluru | Dec'18 to Jan'20

- Analysed 200+ daily fraud patterns; built strong habits of analytical rigour and pattern recognition that now inform data-driven content decisions.
