Bengaluru · +91 86186 24209 · yashlehog@gmail.com · Portfolio · LinkedIn · @wai.geee

Creative strategist and full-funnel marketer with **6+ years** across healthtech, fintech, and DTC. I direct the shoot, write the copy, build the store, and stay till the numbers come in - **brand and creative wired to the funnel behind them.** Equally at home naming a product, directing a launch film, or architecting a Shopify store. Most marketers own a channel; I like owning the problem.
